Advertising, marketing, exhibitions and events.

ONE COMPANY. TWO FOCUSED DIVISIONS.

Dammam, Saudi Arabia

Updated 1 November 2026

ABOUT MATRIX

One company.
Two focused divisions.

A Dammam-based company with clear routes for industrial requirements and for advertising, marketing and event enquiries.

INDUSTRIAL & CONTRACTING

Scaffolding erection and rental, abrasive blasting and surface preparation, painting and contracting requirements.

MARKETING & EVENTS

Advertising and marketing services, exhibition and conference organization, and entertainment-event enquiries.

THE RIGHT TEAM FROM THE START

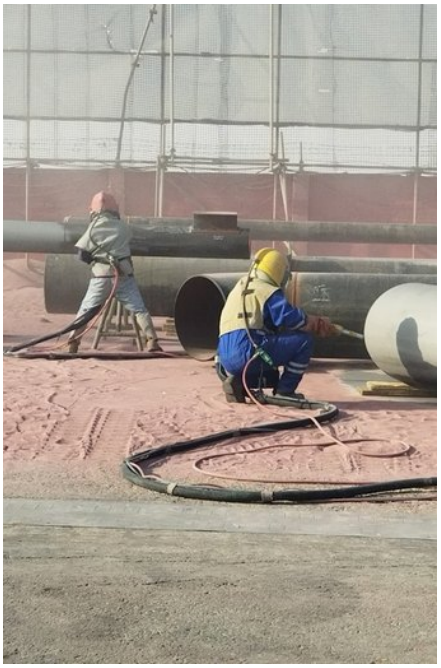

Send your requirement and we will direct it to the relevant manager, with a clear scope for the next discussion.

DIVISION ONE

Industrial services, clear at a glance.

Scaffold access, abrasive blasting and painting for industrial work packages, with contracting support.

Scaffolding

Erection, scaffold rental and work-platform rental.

Blasting

Abrasive blasting and surface-preparation enquiries.

Painting

Protective-painting enquiries and civil structure painting.

CONSTRUCTION & RENOVATION

Residential, commercial and government-building construction, together with renovation of existing buildings. Share the drawings, location and expected programme.

DIVISION TWO

Campaigns and events with a clear purpose.

Give your brand a focused campaign, a useful customer interaction or an organized event experience.

01

Advertising & marketing

Campaign briefs, promotional messaging and marketing services aligned with the audience.

02

Exhibitions & conferences

Organization and management of trade fairs, meetings and conferences.

03

Entertainment events

Event organization built around the venue, audience, experience and programme.

SERVICES AT A GLANCE

More ways we can help.

Send us a requirement in any of these registered service areas. We will connect you with the relevant team.

Scaffolding

Erection, scaffold rental and work-platform rental.

Construction & renovation

Residential, commercial and government buildings.

Civil structure painting

Painting of civil engineering structures.

Advertising & marketing

Advertising and marketing services for businesses.

Exhibitions & conferences

Trade fairs, meetings and conference organization.

Entertainment events

Entertainment-event organization.

Share the scope, location and required dates. We will direct the enquiry to the right team.

OUR APPROACH

From requirement to a clear proposal.

Keep the first conversation simple, then develop the details around the work or campaign.

01 Tell us what you need

Project drawings, access details or an event / marketing brief.

02 Clarify the scope

Location, audience or work area, programme and expected outcome.

03 Agree the proposal

A defined work package, commercial basis and delivery plan.

04 Coordinate the next steps

A direct point of contact for the agreed project or campaign.

START A CONVERSATION

Send your requirement. Meet the right team.

One company, with a direct contact for each division.
